

# Olympic Park Stratford, East London

**O'KEEFE**  
CONSTRUCTION (Greenwich) LTD

Market Sector	Public
Site	Olympic Park, Stratford, London E15
Main Contractor	Morrison Construction
Engineer	WS Atkins
Duration	6 Weeks

### **Description**

Ground clearance, demolition and removal of existing structures from northern area of the Olympic Park development. Difficult underground structures, temporary works requirements and a plethora of existing services were managed by our site team. All demolition waste was crushed and recycled with our own machinery for re-use within the development
